ABOUT EXHIBITION

"Automation and Robot @ ICIF 2017" was a professional sub brand derived from the "ICIF China". The show will be held at the Shanghai World Expo Exhibition & Convention Center from August 30 to September 1, 2017, the world's automation and robot companies will all be present. The show will take the robots and process automation as the biggest highlight, presenting a high-quality industry event to the exhibitors and visitors. Through the invitation of the organizers, the show will attract visitors from more than 20 countries and regions in the chemical and related industries. Exhibitors could be very continent and efficient access to sales leads, promote new products, and establish a brand image to further enhance the market competitive advantage.

PRODUCT RANGE

Industrial Robot And Smart Factory

Industrial Robot(Security, Inspection, Explosive Ordnance Disposal, Rescue, Cleaning), Robot Developing Platform And Software, Manipulator, Smart Factory Solution.

Automation Technology And Equipment

Transmission System Component, Industrial Electrical System, Industrial Control System, Industrial Computer Equipment, Industrial Automation Software, Human Machine Interaction, Micro System Technology, Laser Technology.

Machine Vision

Image Processing System, Machine Vision Integration, Industrial Lens, Machine Vision Software Package, Sensor, Grating

Non-standard Equipment Customization And Assembly Automation

Chemical Customized Machine, Robot Integration Application, Intelligent Equipment And Transmission Equipment, Feeding And Connection System

BOOTH FEE

Shell Scheme

- | | |
|---|---|
| <input type="checkbox"/> Zone A
USD 2000/9sqm (min.9sqm) | <input type="checkbox"/> Zone B
USD 1900/9sqm (min.9sqm) |
|---|---|

Premium Shell Scheme

- USD 2400/9sqm (min.9sqm)

Raw Space

- | | |
|--|--|
| <input type="checkbox"/> Zone A
USD 190/sqm (min.36sqm) | <input type="checkbox"/> Zone B
USD 170/sqm (min.36sqm) |
|--|--|
