## ABOUT EXHIBITION

Oil, Gas & Petrochemical Engineering Technology Fair @ ICIF China is a sub brand comes with ICIF China based on the high demands from our professional exhibitors and visitors. OGP will be held simultaneously with ICIF China, from aug 30th to Sep 1st,2017 at Shanghai World Expo Exhibition & Convention Center. The highlight of the show is TECHNOLOGY, to present advanced and up-to-dated technology is our first and foremost task. During the three days, you could meet main oil gas and petrochemical engineer technology companies, such us: CNPC, Sinopec, etc. The show will expect 11000+ professional visitors from 20+ countries and regions, where is the best platform to promote new products, establish company brands, exchange ideas and share know-how technologies.

## PRODUCT RANGE

### Oil and Gas Exploration, Development and Production Equipment

Oil Well, Drilling, Welding, Oil Tank, Lifting Equipment; Generator, Gas Turbine, Turbine Mechanical Machine; Valves, Pumps, Compressors, Fans, Air Separation Equipment and other Ancillary Equipment and Chemical Machinery.

### Oilfield chemicals

Drilling Chemicals, Oil Field Mining Chemicals, Oil Field Gathering and Transporting Chemicals, Chemical Additives for Improving Oil Recovery, Lubricating Oil, Petroleum additives, Petroleum Catalysts.

### Instrument

Transformer, Stabilizer, Recorder, Filter, Temperature Sensor, Measuring Instrument, Percolator.

### Service

Survey, Mapping, Refining, Purification, Separation, Liquefaction, Welding, Pressure Transmission Testing, Quality Testing, Pollution Control and Protection, Flow Rae Control Technology; Computer Data Management; Oil Depot Engineering, Electrical Engineering, Engineering Consultants; Safety, Alarm, Emergency Shutdown, Emergency Operation Control, Process Control, Pipeline Protection, Fire Alarm Equipment, Industrial Safety and Labor Protection Supplies, Experiment and Simulation System.

## BOOTH FEE
