# GREEN DYECHEM FAIR @ ICIF CHINA 2017

## ABOUT EXHIBITION

"Green DyeChem at ICIF 2017" was a professional event hold in conjunction with the "ICIF China" at the Shanghai World Expo Exhibition & Convention Center from August 30 to September 1, 2017. Global environmental friendly dyes and textile chemicals manufacturers will showcase their latest products, technologies and solutions through this platform. More than 22,000 trade visitors from about 20 countries and regions in the chemical and related industries invited by the organizers to visit the show this year. Exhibitors could be very convenient and efficient access to sales leads, promote new products, establishing its brand image to further enhance the market competitive advantage.
